Sections one, two, three, four, five, six, seven, eight, nine and ten of act number fifty-three of the Public Acts of nineteen hundred one, entitled "An act for the organization of corporate Congregational churches," as amended by act number eighty-four of the Public Acts of nineteen hundred five, are hereby amended to read as follows:

SEC. 1. It shall be lawful for any number of persons of full age, not less than five, who may desire to form themselves into a Congregational church, to adopt, execute and acknowledge before any person authorized to take acknowledgment of deeds, articles of association, 'n writing, whereby they shall agree to organize a church, according to the faith and usages of the churches commonly called Congregational, under the name and style set forth in said articles, which shall contain the following items:

First. The name of said church;

Second. The township, village or city, and the county in which

said church shall be located;

Third. An agreement to worship and labor together as a church according to the faith and usages of the churches commonly called Congregational.

SEC. 2. The persons signing said articles may, at the same time, elect by ballot, or may designate some other time and place for so electing, not less than three nor more than twelve trustees, a majority of whom shall be members of said church, to serve until their successors shall be elected. One-third of said trustees as near as may be shall, at the first election, be chosen for three years, one-third for two years, and one-third for one year, but thereafter, except to fill vacancies, they shall be chosen for three years, of which election a full record shall be made, and a certified copy of such record, signed by the presiding officer and secretary of the meeting at which said election is held, together with said articles of association, shall be recorded by the clerk of the county in which such church or place of worship is or shall be located, in a book by him provided for that purpose, and such clerk shall be entitled to a fee of ten cents per folio for recording the same. When said articles of association and the certificate of election of said trustees shall have been so filed for record, the persons who shall have signed said articles, together with those who shall thereafter become members of said church, and, if the articles of association so provide, those persons being of legal age, who are, and those who shall become regular contributors to the support of said church, shall become and be a body corporate under the name and style adopted in said articles, which name shall conform to the following form, namely: The (insert name or number) Congregaional church of (insert name of place of location).

SEC. 3. It shall be lawful for said corporation at any regular or called meeting of its members, due notice having been given as hereinafter provided, by a two-thirds majority of the ballots cast at such meeting, to amend its articles of association in any manner not inconsistent with the provisions of this act, and such amendment shall become operative when a copy of the same, duly certified by the presiding officer and clerk of such meeting, and acknowledged before any person authorized to take acknowledgment of deeds, shall be filed with the clerk of the county for record.

SEC. 4. At all meetings of said corporations, subsequent to the first, right to vote upon questions involving the acquirement and disposition of property and the expenditure of money shall be confined to adult members of the church so incorporated, and, if the articles of association so provide, those persons being of legal age, who are regular contributors to its support: Provided, That if said church shall have suspended worship, the right to vote shall be determined as of the

date of such suspension.

SEC. 5. Notice of meetings of said corporation, specifying the time, place, and object thereof, shall be read from the pulpit on the two successive Sundays preceding such meeting on which services shall be held: Provided, however, That in case it is proposed to amend the articles of association, the proposed amendment, together with a notice of the meeting called for its consideration, shall be read from the pulpit on the three successive Sundays, immediately preceding such meeting on which services shall be held; and the proposed amendment shall not itself be amended, in any material point, in the meeting so called for its consideration: And provided further, That if there should be no public services at which the notice herein required may be given, said notice may be posted on the church door or published in the town, city or county newspaper whose circulation among the members is greatest, for three weeks preceding such meeting, specifying the time and place and object thereof.

SEC. 6. In the management of the secular affairs of the church so incorporated and of the business of said corporation, but subject always to its direction and control, the board of trustees thereof shall have and exercise all such powers of the board of directors of a business corporation as are appropriate to the purposes and business of a religious corporation: Provided, however, That said board of trustees shall not choose, call, settle or dismiss a pastor or fix his salary, or buy, sell, convey or incumber real estate or any right thereto or interest therein, unless instructed so to do by said corporation at a regularly called meeting: And provided further, That members of the board of trustees and such other officers as may be provided for in the articles of association shall be elected by ballot at a regularly called meeting of those entitled to vote under the articles of association.

SEC. 7. Such corporation may have a seal and alter the same at will. It may, in its corporate name, sue and be sued in all courts of competent jurisdiction. Subject to the provisions of this act it shall have power to choose, call and settle a pastor and fix his salary; to elect trustees, treasurer and clerk and such other officers as may be provided for in its articles of association; to direct and control their actions; to acquire, hold, manage, control, sell and convey property both real and personal; to hold and recover all debts, damages, rights, privileges and all property, real, personal or mixed of what-

soever nature they or it may be and in whosoever hands held, belonging or appertaining to said church or to the religious organization out of which it is incorporated or reincorporated the same as if the right and title to said property had originally been vested in said corporation. It may hold so much real estate as may be needed for the purpose of church building, parsonage and cemetery purposes and of any so-called institutional activities; it may also hold for a period not exceeding ten years, such real estate as may be conveyed or devised to it even though the same be not needed for the purposes above mentioned or be actually occupied by it in the exercise of its franchises: Provided, however, That all property of said corporation whether real, personal or mixed or whether held in fee or in trust and the income therefrom and the proceeds thereof when sold shall, subject to the terms of any trust or trusts relating thereto or to any part thereof, be held and used by said corporation for the benefit of said church as a Congregational religious organization, and for no other purpose whatsoever, except as provided in section eight of this Said corporation may and shall hold in perpetuity as a permanent fund all property given, bequeathed or devised to it or acquired by it for the purpose of an endowment, the income from which fund, subject to the terms of any specific trust or trusts relating thereto, or to any particular part thereof, may be used for any lawful purposes of said church or corporation: Provided, That as to real estate, said property, when so required by law, may be sold and the proceeds from such sale covered into said fund: And provided further, That said corporation, in the lawful administration of said fund, may sell any property therein and re-invest the proceeds of such sale in such securities and other property as shall be lawful investments for saving banks and trustees in this state, said property and securities when acquired, to become a part of the principal of said fund: And provided further, That none of the offerings of said church received or collected for missionary or benevolent purposes shall be used for the current running expenses of said church or corporation; nor shall any fund or funds, money or other property received, set aside, accumulated or acquired for a specific purpose be diverted to any other use without the consent of the donor or his duly authorized representative.

SEC. 8. In all cases where the property of any corporation subject to the provisions of this act has been abandoned, or is no longer used for the benefit of said corporation as a Congregational religious organization, or if said corporation has for a period of two years ceased to exercise its corporate functions, or to hold regular religious services, then, in any or all of such cases, the local association of churches with which it is, or has last been connected may, by resolution declare the said corporation extinct and may notify the Michigan Congregational Conference, a corporation organized and existing under and by virtue of the laws of this state, of such resolution. Upon receiving such notice the said conference by its executive committee or such officer as said committee may designate, may apply to any court of equity jurisdiction in the county in which said property may be, for a decree, dissolving said corporation and vesting the title to its property in the said Michigan Congregational Conference. The application for such decree shall contain a statement of the reasons for said action and there shall be annexed thereto a duly certified copy of the resolution of the local association of churches

to which said corporation belonged, declaring said church extinct as above provided. Upon the filing of said application an order shall be entered, requiring all persons interested in said corporation, to show cause if any they have why such corporation should not be dissolved, at some time and place to be therein specified, not less than four weeks from the date thereof. Notice of the contents of such order shall be published once in each week for three successive weeks in a newspaper published in said county, if any such there be, and if not, in such newspaper of general circulation in said county as the court may direct. On the day appointed in such order, or on any day to which the court may adjourn the proceedings, if it shall appear to the court that the facts set forth in said application are true, a decree shall be entered, dissolving said corporation and vesting the title to its property in the said Michigan Congregational Conference, and such corporation shall thereupon be dissolved and the title to its property shall vest in the said Michigan Congregational Conference, which shall hold the said property, or the proceeds thereof if, in its judgment, it shall be deemed wise to sell it, in trust for two years and if, within said time, a Congregational church shall be incorporated under this act as the successor of the church so dissolved and shall be received in due form as a member of the local association to which the said church belonged at the time of its dissolution, it shall be the duty of the said Michigan Congregational Conference, on receiving satisfactory proof of said facts, to convey the said property or the proceeds thereof to the said church so incorporated which shall then be deemed to be in all respects the successor of the said church so dissolved, and shall succeed to all of its rights, privileges, property and obligations, except as above provided, as if said corporation had not been dissolved. But if no such church is so organized and incorporated, the absolute title to said property shall vest in the said Michigan Congregational Conference, subject to all trusts affecting the same in the hands of the dissolved corporation.

SEC. 9. Any church or religious organization, whether incorporated or unincorporated, may, at a meeting duly called for the purpose, by a two-thirds vote of those persons present and voting, place itself under the provisions of this act, the same as if incorporated under it by adopting and filing articles of association as provided in section two hereof.

SEC. 10. In all cases, whether in law or in equity, that may arise in any of the courts of the state, regarding churches incorporated under this act, or those which by vote shall have put themselves under its provisions, all other acts or parts of acts inconsistent herewith shall be interpreted and construed in such manner as to give full force and effect to the provisions of this act. In effect after August 15, 1913.

duct of business, except as otherwise provided.

(4) In debate, no member, without leave of the body, shall speak more than ten minutes, nor more than once while others wish to occupy the floor.

RESOLUTION

Resolution adopted at the annual meeting May 19-20, 1909: That the annual meeting of the Board of Trustees be held as a stated policy on the opening day of the meeting of the state conference for consideration and for action upon such matters as shall require attention.

RECOMMENDATIONS

In accordance with the provisions of the Articles of Association and the Constitution of the Michigan Congregational and Christian Conference it is recommended to the churches and local associations that provision be made for the appointment of local advisory committees in the associations to act in conjunction with the trustees of the state body; it is also recommended that provisions be made according to specifications given herewith for the examination, licensure and ordination of candidates for the ministry.

These recommendations pertain first to the appointment of local

association advisory committees. It is recommended:

I. That each local association appoint a committee to be called the Advisory Committee, consisting of five members, of which the moderator and registrar of the association shall be members ex officies, and three other members, to be elected at the annual meeting, as follows: At the first election one member to be elected for one year, one for two years and one for three years; and thereafter one to be elected each year to serve three years. It is urged that special care be taken to secure the most competent membership for the committee.

II. The functions of this committee to be-

To know the churches and ministers within the bounds of the association, their character, needs, and conditions, and to keep a record of the same corrected to date and filed with the registrar.

To hold itself in readiness at all times to assist, inform, advise, and suggest, upon request, in cases where a change of pastorate, the organization of a church, the consolidation of fields or other exigencies affecting the common welfare of our churches, may call for such action.

- 3. To be in active and constant communication with the Board of Trustees of the state conference: filing with it its local information; gathering from its larger files wider information; reporting to it at once any changes in fields or men; making investigation at its request, and aiding in all possible ways its effort to know Congregational life.
- To act in conjunction with the pastor of the church where a meeting of the association is to be held, as the program committee; with a view to suggesting, from its knowledge of the field, vital and practical topics, presenting plans of progress or extension, and increasing the interest among both clerical and lay members of our churches, in the meetings and work of the association.

To be the Missionary Committee of the association.

These recommendations pertain second, to ordination and examina-

tion on the course of study.

I. Inasmuch as under our present system ministerial standing vests in the local association, it is recommended that to the same body be accorded the function of passing, after due examination, upon the credentials and fitness of candidates for ordination. It is suggested that the procedure be as follows:

1. A church seeking to induct into its pastorate a man who has not been ordained, may present the candidate for examination at a meeting of the local association with which the church is connected; notice of such intention having been previously given to the registrar and printed on the program of the association meeting.

2. The said association to examine the candidate thus presented in

regard to his intellectual, moral and spiritual fitness for the ministry,

and if approved, to present a certificate of such approval to him and to the church presenting him.

3. Upon the basis of such certificate the church to proceed, either the proceed of the continuous of the cont then or thereafter; to the ordination of the candidate through a council of fellowship; the same being either the association or a group of churches elected by the church and the candidate.

II. Inasmuch as this conference has provided a course of study for

those applicants for ordination who have not received collegiate and seminary education, it is recommended that, for the sake of uniformity, the examination of candidates on this course of study be conducted by a committee of the state conference; and that the certificate of said committee that he has completed this course satisfactorily shall be required in all such cases by the local associations before it proceeds to his examination for ordination.

Resolution Adopted at the Annual Meeting May 16, 18, 1911

That the committee on examination and course of study be instructed to hold the examination of licentiates on the opening day of the conference.

est of the work; and further "That the Superintendent of the said Michigan Congregational Conference be given power of attorney, with authority to act for this Scciety

REPORT OF THE SUPERINTENDENT AND REGISTRAR

We follow the custom of other years in beginning with a statistical report which is compiled from information on the Year Book reports as sent us by church clerks. We shall be grateful for any corrections which may be made in the statement of facts as we have them.

THE STATE OF THE CHURCHES

The problem of finding pastors for churches is more complex than even a year ago. Your Superintendent is fearful that it will grow to be much more serious for the next several years. Fewer men are reaching the Seminaries; many are retiring. It is our opinion that for the next several years we shall be facing a shortage of between twelve and twenty ministers for Michigan parishes. By the above statistics it can be noted that fifteen men have come to Michigan from out of the state, and four from other denominations. Ministers have been called to forty-two churches, in thirty-seven parishes, since our last meeting. Meantime, eighteen men have changed parishes within the state during the year, as over against four last year. These are as follows:

Lawrence O. Johnson, Bangor, to Coloma
Donald R. Evans, Charlevoix-Ironton, to State Conference
A. Reginald Gold, Cheboygan, to Lakeview and Six Lakes
Horace B. Loomis, Coloma, to Fremont
Charles W. Goudey, East Grand Rapids, to Brewster-Pilgrim, Detroit
Russell Denison, Associate Detroit First, to Owosso
Ralph P. Clagget, Highland Park, to Pontiac
Victor F. Brown, Port Huron Ross and Sturges, to Eaton Rapids
Walter M. Swann, Grandville, to Grant
Harold Watson, Clare, to include Harrison
Donald Bradv, Richmond, to Jackson Plymouth and Sandstone
Thomas Ainslie, Homestead, to include Honor
Philip Gregory, Traverse City Oak Park, to Kalkaska
A. L. Allard, Lakeview-Six Lakes, to Pinckney
Clarence Oberlin, Rochester, to Muskegon McGraft
Brooks A. Warren, New Haven-New Baltimore, to Richmond-Columbus
Thomas E. Bennett, Pittsford, to Traverse City Oak Park
Robert Burgess, Watervliet, to Rochester

Our losses from pastorates in the state are again very high with twenty-two. Of these, fourteen have gone to churches outside this Con-

ference; seven to business or related professional work, and three have retired. By death five are lost from Conference rolls, though none of these were in the active pastorate. These many changes reflect the exceedingly difficult problem of keeping our churches with proper leadership. The vacant parishes as of May 10th, are as follows:

Bostwick Lake, Belding and Ada Bangor Britton Charlevoix-Ironton Cheboygan Clarksville Clinton

Detroit Armenian
Dundee
Grandville (supplied)
Lake Odessa
Newaygo
Port Huron Ross and Sturges

Membership

Michigan Congregationalism is growing, but indifferently. Final figures for 1944 show less growth than for 1943. Aggregate gains for 1944 were 3,985 (60 less than 1943) or a plus of 7%. Of these, 2,359 came on confession, and 1,626 by letter. However, our losses were great also, with removals divided, 638 by death, 827 by letter, and 829 by roll revision for a total of 2,494 which makes a net gain of but 1,491 (411 less than 1943) to bring total membership as of January 1, 1945, to 53,655.

Again we must report Church School losses to the extent of 1884 to make a total of 24,639 as against 26,223 at last report. This is smaller than it has been since 1883 when we had 263 churches with 17,509 members against today's 238 with 53,655 members.

Giving

Because there has been slight gains in general income both for local church work and for missions, we ought to realize that we are making no very striking gains in this department of church life. It is true that we are generally more comfortable financially than we were several years ago but our real judgment should be made on a view of how well we are meeting the challenge of our world.

Home expenses as reported by 203 churches reached \$925,364 or \$72,037 more than in 1943. This is per capita giving of \$17.24 as against \$16.36 for 1943, an increase for the home church of 88 cents a member which is an increase of giving by each one of us of about 1.7 cents per week.

What about Benevolences? Total apportionment giving has amounted to \$164,776 for Budgeted, Unbudgeted and Other Gifts. This is per capita giving for all missions of \$3.07 as against \$2.50 in 1943. In the totals the increase from \$129,818 to \$164,776 looks very good but in fact it is but about one cent per week per member increase for missions. Does it really mean that Michigan Congregationalists have grown in their ability to care about a Christian world, in terms of the mission of their church to the extent of just one cent a week? Let's break it down. From this total of \$164,776 there has been received \$83,018 for Budgeted Benevolences, the foundation work of our denomination in State Work, Home Boards and American Board.

For Unbudgeted Benevolences such as Unit Fund \$6,629.77, Ministerial Relief \$4,634, and other purposes a total of \$13,681. Finally, a large increase shows in "Other Gifts" to the amount of \$66.077. The biggest single item of this was War Victims and Services which reached

\$18,695.11. All this is good but we point out again that your State Conference shares only in Budgeted Benevolences as do the other regular agencies of the Home Boards and American Board, and while we must do something for special things we must also remember that gifts to Budgeted Benevolences must also increase, as the constructive and

foundational aspect of denominational missionary endeavor.

At this point it is necessary to repeat, to keep before you, Michigan's plan of allowing each Church to set its own Missionary apportionment goal. To this date this year just about half of our churches have reported to the Conference the amount of set goals for 1945. It is asked that this be done as a cooperation which will make for better Conference administration. If you have not done so, will you report your 1945 Missionary goal to the Superintendent while you are here at this Conference.

The Developing Program

Financial Situation. This will be completely reported by the Treasurer and the Finance Committee of the Board of Trustees. It is good to report that the Conference has operated so as to report a more than usual balance. Some of this is caused by the fact that from April 1 to November 1 we had no one on the staff as Director of Christian Education. Increasing are the missionary opportunities and challenges to the Conference and our expenditures will demand the balances preserved.

Field Work. Brief survey of the work of the Superintendent reveals that he has preached 42 sermons, has made 40 addresses and has held 44 meetings in local churches in conference with Boards and Committees. In addition, visits have been made in all Associations, in some at both Fall and Spring meetings. The Superintendent has taught in the Adult Institute. The office continues to demand membership on the Board of Trustees of Peoples Church, the Board of Trustees of Olivet College, and the Executive Board of the Michigan Council. This year has also made heavy demands for National Work. Beginning with the meeting of the General Council in Grand Rapids where your Superintendent and our staff carried a full share of responsibility, we have gone on to membership on the Stewardship Commission of the General Council and to the Ad Interim Committee of the Missions Council. We have attended the Midwest Regional Meeting, the Midwinter meeting at Cleveland and one extra meeting of the Superintendent's Council in Chicago. The Superintendent has also conducted Schools of Churchmanship in several of our churches, and a one-week preaching mission.

Meantime, regular routines in the office must be maintained, and here great credit is due to our secretaries, Mrs. Stokes and Miss Lohr. Hundreds of letters must be written, plus regular mailings of material. The detail of administration of the corporate business of the Conference neust be completed. Finally, time must be given to meetings of Conference Boards and Committees as well as for counselling with ministers,

individuals and committees as they come to the State office.

Christian Education. On November 1, Rev. Donald R. Evans began work as Minister of Christian Education. He will make his own report. Before Mr. Evans began, our Summer Conference program was completed and a word must be spoken here for those many men and women who served to make the 1944 Summer Conference schedule one of the best ever. Without a Director on the Conference Staff these Conference

ences were taken over by Rev. Frank Jensen. Rev. Erwin Britton, Rev. Oscar Bollman, Rev. Paul Clark and Rev. Donald Evans, each directing one Conference. We are deeply grateful to these leaders and their many helpers for the great service they rendered in this department.

Women's Fellowship. The Women's Fellowship has again had a most successful year under the leadership of Miss Frances Dunnette. The President of the Fellowship made the round of Fall Associations, and has given a great deal of time in travel to local churches. We do not presume to report for the Women's Department. However, we believe it should be noted that although the President of the Women's Fellowship is not a paid member of the Conference Staff she does a great deal of work voluntarily that might easily go unappreciated. One of the advances made has been in a more carefully coordinated program of the Women's Work with the total Conference project which is making for less duplication of effort and for more power behind the total work. The women of our churches have rallied in fine fashion behind the total missionary project, and have done a magnificent job in the department of Friendly Service, once called "White Cross."

Ministers, Churches and the War. While we have already spoken of ministers new to the fellowship, and of ministers gone from the fellowship, something should be said of the great part of our group which has gone on without change. We all recognize that we have a very grand fellowship of ministers in Michigan. Your Superintendent makes no secret of his ideal that holding a pastorate in Michigan shall be in itself recommendation enough. We hold ourselves to the highest standards of our profession. Still under the strains and stresses of the war situation our ministers are all working exceedingly hard, adding to the regular tasks of the profession, all sorts of added community service programs. What I said a year ago is as true today. "All our men are trying to deal seriously with the problems of our time and all are anxiously seeking to produce a true ministry of real religion." There are tensions and there are problems but we are Christian.

Our laymen are truly devoted to the Church. It is sometimes complained of us that we lack religious zeal, and sometimes it would appear that we do. But go into any community where we have a church and discover any good work being done there, and you will find Congregational laymen in it up to the hilt. We do take our church seriously in terms of going out from it into all phases of community good works with the ideals and point of view of Jesus Christ, as we have learned these in the Church.

The War is very much with us. Service flags or Honor rolls are more and more crowded and more and more the gold stars appear. In one of our parsonages, that of Rev. and Mrs. James Turner of Grand Blanc, there are two gold stars. We sorrow with these parents.

Nevertheless, the spirit of our churches is forward looking and with earnest desire for true service for a better world, our churches are alert to the many tasks and challenges which face us. This is demonstrated by the fact that many of our churches are planning for the future where their own buildings are concerned. Many old debts have been paid to the Building Society, clearing away mortgages and liens upon the properties. The Superintendent has attended many mortgage burnings which have been gala occasions. In addition to this a goodly number of our churches have launched upon financial campaigns preparatory to erecting new buildings as soon as war situations permit. Mayflower

Church in Detroit, Lansing Pilgrim, Watervliet, South, Second and Park in Grand Rapids, Memphis, Muskegon First and Grandville are all illustrations of this, and I am sure that there must be others of which I do not have immediate information. Reports from all these indicate that their financial campaigns have been successful. At this Conference we are to be called to a like sort of planning and giving for great Missionary postwar planning projects. We hope we shall be able to respond to this as whole-heartedly as we have met the demands of the local situation.

Ministers' Retreat. Briefly we report a most successful Ministers' Retreat held at Olivet in February. The planning for it was done by the Committee on Evangelism and the Devotional Life under the leadership of Rev. A. A. Nelson. Leaders were Rev. Owen Geer of Dearborn who gave three lectures on the Church as Related to Labor Unions, and Professor M. M. Deems of Chicago gave a series on The Theology of Augustine. This Retreat will become a feature of our year's work as time goes on.

Association Meetings. Your Superintendent is more than ever concerned with Association Meetings. We keenly appreciate the spirit of the Associations in arranging the Fall Meeting programs around the visit of the "State Team." As we have said before, we appreciate this courtesy and take seriously the obligation. That Fall trip around the Association circuit is no small job. It takes almost a month of the time of the Superintendent, President of Women's Fellowship, Minister of Education, and a representative from the denomination. We earnestly urge, therefore; that Advisory Committees use us to better advantage with each year and that more care goes into the planning for these programs. We vision the time when Association meetings shall be planned as thorough-going workshop sessions rather than the "series of lectures" type of thing. We believe a little thought here can pay big dividends

Conference News. The "great little magazine" has been published in nine issues. Paper and manpower restrictions are hampering us. The magazine is often late arriving and we can't help it. At the present time we are allowed a ceiling of 2,856 subscribers and new subscribers must go on a waiting list. Under this plan if your subscription is allowed to lapse we are forced to give your place to someone on the list. Heretofore we have carried subscribers sometimes for two or three months. We warn you to watch your expiration date and get your renewal in to us. The price is now 35 cents, or three years for \$1.00. Meantime we call your attention to the fact that here is a rich source of up-to-the-minute material for Missionary education in your church.

The "Union." At the General Council it was voted that during this biennium we should be getting acquainted with the Evangelical and Reformed Church for the purpose of being intelligent over the proposal for Union with that Church. Your Superintendent urges attention to this matter. A Union by default, for lack of knowledge about one another would be tragic. We move rapidly toward June 1946 when it is expected that we shall know our own mind on this matter. It is the duty of every church to be informed for such a Union will affect every single church, even to a change of name.

Summary. While we are at this Conference we are to hear from Dr. Stauffacher, minister of the Missions Council, of new plans and

opportunities for Postwar Services. The Michigan Conference is most fortunate in the fine cooperation of Ministers and Churches with all State Conference agencies. I point out to you in all seriousness and earnestness that we can preserve our particular genius as Congregationalists, and that we can preserve our independence as churches and ministers only if we properly encourage and foster the full cooperation of the Fellowship. The fact is that not one of our churches can long survive alone. It is equally true that no minister can very long live to himself professionally. We must either share fully the work of the total fellowship of our churches in a planned cooperation or we shall die as a denomination, or we shall sacrifice our particular genius and become just another church. I, therefore, bespeak your full cooperation in every program of the Conference and denomination so that we may indeed serve at our best in our separate communities as well as make felt the weight of our Christian influence the world around, in the name of Jesus Christ our Lord.

HAROLD N. SKIDMORE,
Minister of the Conference.

REPORT OF THE FINANCE COMMITTEE

As Chairman of the Finance Committee of the Michigan Congregational and Christian Conference, I am pleased to submit a report of activities since the Annual Conference of 1944. There have been investments approximating \$22,566 of available funds belonging to the Conference, realized through moneys received from the sale and calling of securities and other sources. During the past year the sum of \$8,000 was received on the legacy given under the will of Dr. William Dick, who died March 23, 1944, a resident of South Range, Houghton County, Michigan.

I am pleased to set forth herein the properties belonging to the various funds of the Conference. The values set opposite the various items of property are the par values of the same, with the exception of the securities purchased since the report of May, 1943, on which I am showing the purchase prices.

REPORT OF THE BOARD OF TRUSTEES OF THE MICHIGAN CONGREGATIONAL CONFERENCE

On May 18, 1944, your Board of Trustees met in the Congregational Church in Battle Creek to organize for the coming year. In this meeting, Mrs. Reuben R. Moore was chosen President of the Board and Rev. H. N. Dukes, Secretary.

When the roll call was completed we greeted three new members

and one coming back on the Board after a period away.

The spirit of dedication and consecration expressed at that first meeting has not only been carried through the year but has become intensified with each new effort. I would like to express my personal appreciation for the promptness with which each member has responded to each request made of them. I know that often it has been done at great sacrifice. When we face the demands made upon individuals, groups and churches these days, it means much more when the demands of the "extra mile" are made, answered and carried through.

Since wartime limitations on travel and gasoline have made it necessary to cut to the smallest possible number the meetings held in the State Office, we have had only three meetings of the entire Board of Trustees. The organization meeting held in Battle Creek on May 18, 1944, and two meetings at the State Office — September 7, 1944, and November 29, 1944. Our final meetings were held in Plymouth Church, Lansing, on May 15 and 16, 1945.

We have supplemented these meetings with three meetings of the Executive Committee at the State Office—September 6 and November 28, 1944, and February 2 and 3, 1945. These meetings have been of almost perfect attendance in spite of heavy weather and other handicaps. Around the table have gathered those who prayerfully and earnestly have been about their "Father's Business." Our Superintendent has very carefully planned the details of the agenda for these meetings. Much of this has necessitated hours of personal interviews and many letters. Each of these details has been carefully and prayerfully discussed in such a way that we have been enabled to be of the most aid possible to the ministers of the Conference and to the best interest of you in each individual church in the state.

Four years ago in this sanctuary we installed Dr. Harold N. Skidmore as Superintendent and Minister of the Michigan Congregational and Christian Conference. We are proud of the work he has accomplished in this office. We are daily more aware of the great task our Superintendent focus the tool which he confidence are superhoused to the superhouse are superhoused to the superhoused to the superhouse are superhoused to the superhoused to the superhouse are superhoused to the superhouse are superhoused to the superhouse are superhoused to the super tendent faces—the task which he carries so superbly as he is supported by his loyal companion and wife. The demands are endless—large and small-but each task receives its necessary quota of time, prayer and study so that when it is set on its way, it is fortified to carry through in

the manner that it may count most for the church and our Master.
We have reason to be justly proud of the work accomplished in our State Office by the Superintendent and the loyal members of the Staff. No detail of house or record has been overlooked. Our Superintendent has put every department on a basis of personal responsibility in its own field. Each has faced its responsibility and to each belongs the

credit for tasks well done coupled with our thanks. There has been a spirit of unity and cooperation. No department has endeavored to carry through any part of a program which has not first been coordinated with the work of the Conference as a whole. This has been one

of the strongest means of success.

Our Superintendent has not saved any of his own physical strength nor his spiritual support to make this a reality. In addition to the value of this in our own State of Michigan, it has reached out into the National program. Dr. Skidmore has made a telling contribution to every phase of our General Council. May he be strengthened in body and soul to serve in this ever-growing work—may God bless him and his richly.

As we look back over the past year we are grateful for the opportunity to be host to the General Council in Grand Rapids in June. The manner in which each detail of the great meeting was handled has brought forth the deserving thanks of the General Council officers for the untiring work of our State Staff and the loyal workers of Park Church and her neighbor churches.

Our Superintendent's work is daily strengthened and upheld by the loyal and understanding support of our office Secretary and Assistant Treasurer, Mrs. Fay R. Stokes. No question or detail is too trivial to receive her careful attention. If anyone in the Congregational Churches of Michigan is confused over a problem it is only because they have not written to Mrs. Stokes for light on the subject. She has the answer and to her we give our grateful thanks.

Miss Katherine Lohr has made a unique place for herself on the Staff. As her work has grown and her talents been used in the office and through the various outlets in our churches, we find ourselves more

indebted to her.

Christian Education Division

At our meeting in Battle Creek a year ago we were pledged to choose At our meeting in Battle Creek a year ago we were pledged to choose a successor to Miss Esther Ewell as leader in this field. After careful study, Rev. Donald R. Evans, pastor of the Charlevoix Church, was called to be minister of Christian Education at a salary of \$2,800.00 a year, with house provided, one-half of his Annuity Fund, moving expenses and one month's vacation. This is daily proving a wise choice. Mr. Evans is making for himself and his work a growing field of real value. With the loyal support of Rev. Paul Clark and his committee, he is facing the challenge of serving our youth through schools, Summer Conferences and camps. We have invited Mr. Evans to sit in on the meetings of the Board of Trustees so that he may understand the problems first hand. problems first hand.

Woman's Work

As the Board of Trustees we desire to express to Miss Frances Dunnette our approval of the efficient manner in which she has carried on as head of the Woman's Work. It has been a help to have her sit in on our Board meetings so that the entire work be coordinated more completely.

Finances

Our Treasurer, Mr. E. E. Harris, has made his report to you and you have acted upon it. However, you do not see the faithful loyalty behind the scenes as he carries on his work. He is supported by the members of his Finance Committee who have made it possible to give to this meeting the report which calls for our grateful thanks and a challenge

as we face the work ahead with expectancy.

There have been anxious times—vexing problems—ahead lie even greater ones. Nevertheless, our churches have been inspirations for the best and will continue as such.

Apportionment

As in the past three years, the church officers and ministers of our Conference have received the folders for budgeted benevolences. The responses to these have been very heartening. The choice of "how much" is yours to make. You have made it. Have you made it in proportion to the blessings which are yours? Have you made it to the greatest limit possible to meet the challenge which faces our churches today? As we face the year ahead we pray the "upward reach" will surpass any of the past that we may dip deeper into the world's problems. The decision rests with you.

Ministerial Relief

No detailed report has come to us from the National office to date. However, we would like to say a word of appreciation to Rev. Badder for his earnest work on the Unit Plan this past year. We are still far from that expected of us but under Rev. Badder's leadership we have improved. Give your support to this.

Conference News

Through this small magazine has come to our Congregational homes news from and of the state work as well as the national and world problems. This past year has seen many necessary changes in work and procedure. This has reached even our Conference News. Because of paper shortage and other war demands, we have been forced to raise the cost of this paper to 35 cents a year. However, it would be cheap at twice the price if you read it. Use it! Make it vital!

To the Laymen

May I be pardoned for bringing a personal note to this report? With this meeting I am completing six years on this Board of Trustees—four of these years as President of the Board. When elected I wondered why I should be put here. Now I know that it was a precious opportunity to give of one's best to the Master's work in Congregationalism in Michigan. I am grateful to be privileged to serve. With the exception of one meeting, I have sat at the table and endeavored to face these questions with the loval ones gathered there to face these questions with the loyal ones gathered there.

May those who are called through the years to follow have a similar enrichening experience. May the churches of Michigan be strengthened to stand loyally behind our Minister of the Conference as he endeavors

to give his best.

Now I am privileged to speak as a layman to the laymen of our churches. During the past six years on this Board of Trustees and through its contacts I have been given the opportunity to "listen in" on the churches of the state. There are many things which have caused me to ponder on some problems that I feel that we, as laymen, need to face.

Through these years I have been privileged to "feel the pulse" of anxious ministers over the state—from all sections. I mean by this—city churches as well as the "circuit rider." They have not been complaining—they would not, for they are "soldiers of the King"—but rather have just "talked out loud."

As a layman I appeal to you, and at the same time I am talking to myself as a church member. We are members of the Congregational-Christian Churches of Michigan. We have called as ministers of our churches men who have felt the Divine Call to minister to the church, to the individuals who make the churches. They have studied and worked to prepare themselves to be worthy of the ministry. They ask no other reward than the privilege of leading men to love and serve their Master and find joy in doing it. These ministers are called by you and me to serve in our churches. They come and give their best. They plan your services—regular and special—so that they may move smoothly and in a way which may mean most. They christen your babies and mine; they marry your children and mine; they care for your afflicted and troubled ones and mine; they remember to write that letter which may raise the courage of yours and mine; they answer those thousand and one telephone calls of yours and mine that we could have answered ourselves if we had read with care the church notices; they bury your dead and mine. In the business world you and I demand a 40- or 48-hour week—a five-day week or something as ironclad. Your minister and mine is on call twenty-four hours a day, seven days a week.

That is your will and mine.

As I have "listened in" all over the state I am very sure that many of the heartaches in the parsonages are not meant to be. We have just

not thought about them at all.

Our ministers are not looking for praise. However, the "vote of confidence" which even Churchill demands of Parliament would ease many a load. Just the lift of a word of genuine approval would be the anointing oil that would bless farther than we know. May I make this appeal to every layman here and over our state that when our annual meeting comes around that we take advantage of that opportunity to let our ministers know that we are interested and appreciative of their work.

These annual meetings are set so that we all know when they are to be. Don't allow anything to interfere with that date. Our annual meetings are the "stockholders' meetings" and, if we can't possibly attend in person, we should commission a "reliable proxy." This is just good business sense.

Our ministers have reason to dread these annual meetings because you and I have caused such reactions as these-

"Oh, it just the annual meeting." "No one seems to care to attend."

"There is seldom more than a quorum." "They feel reports are not interesting."

"One wonders the justification of the minister's report as so few care to hear it.

"If we have a supper you have to catch them at the table or they will eat and run.

"Are they really concerned unless something goes wrong?"

"They feel it is all cut and dried."

"They want the work done-by the others."

"With one accord they began to make excuses."

How many of these few statements I have chosen sound familiar to you? I trust they have pricked our thinking to such an extent that when you and I have a report to make at an annual meeting it will be prayerfully prepared and read. When the other reports are prepared

and read, we will be there to listen and comment.

Our ministers are "Keepers of God's Houses" and we are his "Trustees." Let us face the years ahead with confidence and give confidence

to others.

We need to take and use these annual meetings to give our ministers the "vote of confidence," the word of appreciation which will prove the keystone of strength, courage and inspiration which will bring greatest

returns to the church.

There is one more item over which our ministers are concerned and only the laymen can solve it as we are the ones who create the problem. This is the desire we express to have the "last minister" return for weddings and funerals "because they were so close to us." This creates difficult problems for the minister in the church and the one asked to return. Let us as laymen over the state do all we can to ease this problem of "ethics."

By our decisions as laymen we can do much to strengthen the hands and hearts of those who serve us. May God strengthen us so to do.

Recommendations

We recommend that Dr. Harold N. Skidmore be re-elected Superintendent and Minister of the Michigan Congregational and Christian Conference, at present salary of \$5,000; Mr. E. E. Harris to be re-elected Treasurer, and Mrs. Fay R. Stokes be re-elected Secretary and Assistant Treasurer, at present salary of \$2,000—each for a term of one year, and the necessary bonds be given.

Respectfully submitted,

ANNIE MAY MOORE. President of Board of Trustees.

REPORT OF THE PRESIDENT OF THE WOMEN'S FELLOWSHIP OF THE MICHIGAN CONGREGATIONAL CHRISTIAN CHURCHES

Three years as your State President, three years of trying to anticipate the needs of the Women's Groups throughout the state. It has been a most interesting period and I have gained much through the work. Your friendships and your desire to cooperate with me to make our Fellowship of Congregational and Christian Women a real live organization has been a real inspiration. Our Fellowship has become increasingly aware of the work of our denomination, of the total picture of the work of our denomination, of the total picture of the work of our denomination. what we as Church women can do and what we must accomplish if we are to do our part in the dreamed-of "New World."

The Association meetings in the Upper Peninsula were later than usual, thus making it possible for the state group to go on over to Duluth for the Regional meeting. The Midwest Regional was well attended, with many fine speakers. The women had a luncheon meeting and your president was asked to take part of that program which was on the

Islands of the South Pacific.

I attended the United Council of Church Women in Columbus, driving down with Mrs. Charles Houser of East Congregational and Mrs. John Dykstra of the Central Reform Church of Grand Rapids. It was indeed a great inspiration to see so many women representing so many different denominations, planning and working together for the future—a future where Peace would prevail throughout the whole World.

It was presented very clearly to us that as Christian women we cannot just sit back and wait for Peace to come, but we must study proposals as they are put before the peoples, know what they mean, and then let our voices be heard in backing the right ones and voting down those things which tend to keep our countries in turmoil. We must exercise our rights as American citizens and use the vote that it is our privilege to have and to see to it that all American citizens have

the freedoms that are theirs by virtue of that citizenship.

At an open session of the Midwinter meetings of the Missions Council reports covering five techniques for education and promotion were given by five Presidents of the Women's Fellowship. My topic was "Stewardship and Basic Giving." There was a fine meeting of state presidents with 31 states represented. Work materials for the coming year were discussed, ideas were exchanged and a Goal or set of Goals were worked out so that there would be more uniformity of methods throughout the out so that there would be more uniformity of methods throughout the states. The materials for our interdenominational study themes were presented, "The Church Among Uprooted Americans" and "Africa." Due to delay in printing these books will be a bit late in coming out but will be ready for your programs in September.

Speaking of books, most of you have been aware of my bag of books, the latest descripted books and all of the study books and many. Many

the latest devotional books, and all of the study books and maps. Many of you ordered from these samples. The project was such a success that I will again next Fall start out with a new assortment for your

While in Cleveland I attended my first meeting as a Director on the

Board of Home Missions, an honor which I greatly appreciate and I will endeavor to represent the women of our Fellowship to the best

of my ability.

This past year a "Manual for Leaders of the Michigan Fellowship of Congregational and Christian Women" was printed and included in the Program Packet. One will again be sent out in the Packet this year. We have had many comments on this Manual and we hope that it has proved a help in your groups. If you have any suggestions for changes please let me know.

The Executive Board of our Michigan Fellowship met in a two-day work session in East Lansing in February. It was decided to again mail the Program Packets into every church in the state, the price to remain the same as last year even though the cost of the contents is not covered by that 50 cents. Each church is to pay for it through their Association Treasurer and the Associations in turn will remit the total sum to the state.

At this meeting much stress was put on the appointing or electing of the seven department chairmen, the "Seven Dwarfs" as they were nicknamed and it is interesting to see how some of your groups are blossoming out under this plan of putting many women to work, not

just one doing it all.

Our Association Presidents are doing a real work in organization in their Associations. Most of them have active chairmen in all departments and it was suggested that every Association order "Guide Posts" for all of its officers. Give your Association President your cooperation by trying to do at once the things she asks of you.

Speaking of "Guide Posts" it was also suggested that every organi-

zation equip their president and seven department chairmen with "Guide Posts" as it is the official working tool of the Women's Fellowship and

is a real help in all departments of our work.

Some of the Associations in Michigan have experimented with sectional meetings and they have proved very successful, it being easier in these days of restricted travel to get together women from churches close together. Travel will undoubtedly still be difficult this coming year and it is my hope that more of the widely scattered Associations

will have this type of meeting.

The year has been a very active one, with streamlined programs to meet the busy days of all of our women. Many Red Cross Centers are established in our churches, combining this work with the program of the church. The gathering together of clothing and the making of new garments for those peoples who have lost all and are homeless, has reached large proportions. This work will be continued through the two distributing centers, the one in the home of Mrs. L. R. Martin. 628 Middlesex Bend, Grosse Pointe, and the other, Mrs. Walter Seastrom, care of Friendly Service, Park Church, Grand Rapids. Porch parties this summer will be splendid places to continue this work while you are planning the activities for the Fall programs of your churches. Winter with its cold does not wait for mere mortals to finish sewing garments, warm clothing,—it is one of the musts of Christian women.

Mrs. R. S. Evans, the book lady, has spent many hours with you and it making suggestions for your programs and her suggestions had been suggestions.

in making suggestions for your programs, and her summer book list sounds very interesting, giving us a preview of the studies of the coming year. The Social Action Department under Mrs. Glenn Utterback of Calumet, has been actively promoting the study regarding the future Peace of the World and the plan of the church regarding relations to the task of breaking down prejudices. This department joined with Friendly Service in promoting the sewing project and the collection of usable clothing for U.N.R.R.A.

Mrs. Harold Skidmore, chairman of Devotional Life, has constantly Mrs. Harold Skidmore, chairman of Devotional Life, has constantly given helps and has on your invitations conducted many devotional services in your groups. She prepared devotional services to fit in with the prepared programs in the Packets. Stewardship has had the attention of Mrs. S. B. Wenger of Jackson, who as chairman of that department has stressed the giving of our Fellowship for the total work of the denomination.

Mrs. Ida Eslon resigned her chairmanship of Friendly Service last Fall and it was with regret that it was accepted. Mrs. Reuben R. Moore of St. Clair was appointed to fill this unexpired term in February. The work of this department has gone on in spite of the many other demands on the time of our women, for they always have time to supply these materials, valued this year at \$3,201.16, which are the life-lines of so many of our schools and hospitals. Over 4,784 articles were knitted and sewed for U.N.R.R.A.

Mrs. Thomas Nadal has completed her second year as chairman of Publicity and has done a very fine job in compiling her materials for Conference News and in getting them to the Editor on time. Mrs. Fred Bryant is completing six years as chairman of Drama. Upon recommendation of the Executive Board this department will be dropped this coming year, as will the so-called Literature department and in their place will be the Missionary Education Department under the leadership of Mrs. R. S. Evans, and the Christian Education Department. D. R. Olson was appointed by your president to get the work. Mrs. D. R. Olson at the annual meeting. Mrs. Olson has a great deal to contribute and I am sure that you will all enjoy knowing her.

Mrs. David Elliott has a list of available local area creakers, but she

Mrs. David Elliott has a list of available local area speakers, but she would like additions of new people if you have them in your locality. Send in these names promptly as that is the only way she has of

compiling this list.

I greatly appreciate the cooperation of our Secretary, Mrs. Wm. Parkhurst, who has worked so faithfully; the work of Mrs. W. R. Catton, our Treasurer, and the fine cooperation of the Nominating Committee. Mrs. Keith Elliot, who has been chairman of that committee, has accepted the presidency of the Kalamazoo Association, where she has a large number of churches to work with. In this capacity she will still remain on our Board.

It has been a strenuous year for everyone, but a great deal has been accomplished, the Association Presidents have worked very closely with your State Officers and I wish to extend my thanks to them for their fine work, there have been marked signs of improvement because of their untiring efforts.

As I look back over these last three years, I have many happy memories of days spent in your groups and I hope that travel facilities will soon be such that it will be possible to visit many more.

The drawings that we have been using on the covers of our Programs for these last two years have been done by Mrs. R. S. Coleman of Park Church in Grand Rapids and I am sure that you will all join me in thanking her for her work and her ability to put on paper the thought that our Programs wish to bring out.

FRANCES DUNNETTE, President.

REPORT OF MINISTER OF CHRISTIAN EDUCATION

On November 1, 1944, I became Minister of Christian Education. It was my stated desire to emphasize personal visits to individual churches; the Board of Christian Education concurred in this emphasis. To this end, I have welcomed invitations from churches to serve them in whatever capacity I could—and it must be stated that there has been no dearth of invitations. I have accepted every invitation except when prevented by previous commitments.

In the six and one-half months I have been in this office I have:

given 41 sermons, talks, and addresses; met with 17 local church groups and committees; met with 23 state and association committees; attended 4 national or interdenominational meetings.

This makes a total of 85 appointments.

Analyzing my work in a different way, I have served, in varying capacities:

30 individual churches;

4 Pilgrim Fellowship Associations; 2 Associations.

The work of the state committees has consisted largely of: (a) Carrying out plans made before I took office, and (b) laying plans for the summer of 1945 and the Church Year of 1945-46.

The Leadership Education Committee has largely concerned itself with

setting up the Christian Education Institute. The Children's Committee has shared in this project by assuming responsibility for the teaching of the children's sections at the Institute. In addition, the Children's Committee put out during the winter a very useful newsletter on worship in the Church School worship in the Church School.

The Youth Department started the Fall season by printing and distributing the MPF Guidebook, which has served throughout the year as the instrument of cooperation and the basis of future planning. The usual Midwinter and Spring meetings of the Executive Board have been held. Considerable work has been put into planning the senior high school summer conferences. Satisfactory progress has been made on the Michigan plan for chartering local Piligrim Fellowship groups; this

year has seen an increase of almost 25% in chartered groups.

The College Work Department has held one meeting, at which all our student work centers were represented; needs in this area were explored, and plans begun for meeting them.

The Missionary Education Committee has secured information from churches regarding the felt need for missionary work; on the basis of this information, we were able to make the most effective use of the 14 days given to Michigan by the Rev. Raymond A. Dudley, missionary from India.

The Visual Education Committee has made plans for discovering the needs and desires of churches in regard to this comparatively new method of education; plans are also made for an expanding service

for 1945-46.

The Curriculum Committee has been at work this winter on material to supplement the printed Curriculum Guide. This material is nearing completion.

Note should be taken of one special difficulty which has arisen, namely: the ODT ban on conventions. It has been a tedious job to persuade the ODT to make interpretations applicable to church sponsored summer conferences. Therefore, it has been necessary to make plans for our summer conferences while keeping in mind the fact that they might be cancelled. Our policy has been to cooperate whole-heartedly with every necessary wartime restriction and, at the same time, retain as much of our educational program as possible.

This summarizes briefly the work of the Christian Education Department to date. It should be stated in conclusion that it is the conscious desire of the Department to serve the needs of our various churches, and to strengthen in any possible way the program of education at the local church level. Suggestions from ministers and laymen are most welcome.

DONALD R. EVANS.

REPORT OF THE SOCIAL RELATIONS COMMITTEE

Feeling that in Detroit there were represented some of the most terrific social problems and pressures, the national Council for Social Action requested our Michigan Committee to conduct a Reconciliation Tour in Detroit for the delegates to the General Council who wished to stop-over on their way to Grand Rapids last June. The tour was arranged accordingly on June 20, 1944. Mr. Herbert McCreedy, Assistant Director of the C.I.O. Political Action Committee, Region 6, spoke to the group which numbered about 75, on "Postwar Prospects" and the program of the C.I.O. Political Action Committee; Rev. John Miles, Negro preacher and union worker, co-pastor with Claude Williams of the Detroit People's Church (an inter-racial church), spoke on the subject, "Areas of Cooperation Between Church and Labor"; Mr. John Thorkelson of the Educational Department, U.A.W.-C.I.O., spoke on "Labor-Management Relations." Following these addresses a government film produced by the WRA, "A Challenge to Democracy," showing conditions in the assembly and relocation centers for Japanese-Americans, was shown, and Rev. Shigeo Tanabe, Japanese-American chaplain of the Detroit Council of Churches, then answered questions concerning his people. A luncheon meeting was held at the Webster Hall Hotel at which time Mr. Robert H. Keys, President of the Foremen's Association of America, spoke on the organization of his union; and Mrs. Beulah Whitby, Assistant Director of the Detroit Inter-racial Committee, spoke on "Detroit's Inter-racial Problem and What We Are Doing About It." In the afternoon the group visited the Willow Run Housing Project, touring the worship and recreation centers, the housing, and hearing an explanation of the religious program and the home research project, financed by the Rackham Foundation, by the Rev. George P. Jerome.

On October 10 a mailing was sent to all the ministers of the state urging the cooperation of the churches in the national campaign for clothes for the people of liberated Europe sponsored by the U.N.R.R.A. Results of this campaign showed that the first five churches in Michigan in the number of pounds of clothing contributed were: (1) Mayflower, Detroit, 1,919 lbs.; (2) Lowell, 1,500 lbs.; (3) Atlanta, 1,320 lbs.; (4) Vermontville, 940 lbs.; (5) Gaylord, 900 lbs. This, with the other 20 churches contributing, made a total of 14,298 lbs. This committee assumes that many more of our Michigan churches cooperated in the recent clothing drive held in April.

A Blueprint for the Organization of Social Action Committees was enclosed in the October 10 mailing, and the aims, objectives, and projects

of the state committee noted. These are:

 A continuing study of the problems of World Order in the postwar world.

- The continued and increasing support of the work of the Committee for War Victims and Services.
- 3. More emphasis on alcohol education.
- 4. Assistance in the problems of juvenile delinquency.
- 5. Assistance in the settlement of Japanese-Americans.
- More political action by churches. Order the new Washington Report published by the Legislative Committee of the C.S.A., 1751 North St., N.W., Washington, D. C. \$0.50 per year.
- 7. The securing of greater justice for Negroes.
- 8. Assistance to residents of new defense communities.
- 9. More study of social problems.
- 0. The Service Committee-
 - (a) The sewing project for the peoples of Europe now being sponsored by the Friendly Service Chairmen of the Women's Department of the Conference.
 - (b) The projects under the Million Hours Plan for Pilgrim Fellowship.
 - (c) The game chests for merchant seamen.
 - (d) Kits for Russia.
 - (e) Securing of qualified workers for Europe.

In addition your committee suggests that local churches organize committees for returning servicemen to assist them in all phases of their adjustment to civilian life wherever possible.

A mailing also went to all Association Registrars on October 10 requesting the name of the Association Social Action Chairman and his or her committee.

The Service Committee of the Council for Social Action requested the state committee to undertake a sewing project for the children of Europe. This project was launched here last Fall and is described in the report of Mrs. Lyndle R. Martin.

On January 18 a mailing was sent to the ministers of the state concerning the proposed legislation providing for postwar military conscription. The resolution on the matter adopted by the Federal Council of Churches of Christ in America was incorporated in the letter, the last paragraph of which reads as follows:

"We are committed to working for a postwar settlement that will insure to all nations peace, security and justice. To this end we pledge ourselves anew in the hope that peoples everywhere may be released from the burden of competitive armaments and given the opportunity to develop a world community in accordance with Christian principles.'

The churches were asked to give serious consideration to this problem

and to act as they deem advisable.

Another mailing sent to the churches on February 22 concerned the Congregational-Christian Committee for War Victims and Services and mentioned the amount given by each church to the Committee. Total gifts for the state amounted to \$18,695.11. The average gift per member per year was, on the basis of 1943 Year Book statistics, \$0.358. Of the 239 churches listed in the Year Book, 120 made contributions. Michigan's first ten churches in total giving to CWVS: in 1944 more. first ten churches in total giving to C.W.V.S. in 1944 were:

Detroit First	\$1.402.15
Muskegon First	. φ1,702.13
Dool-f1	. 918.72
Rockford	. 733.77
Pontiac	71/ 0/

Detroit Boulevard	. 570.50
Vneilanti	. 546.05
Ypsilanti	. 501.63

As Dr. Stauffacher mentioned, the goal for this committee is to be increased by half a million dollars a year for the next three years. This will mean our Michigan churches must do better than we have done. We suggest that you do one of these things:

Secure personal pledges for the work of the C.W.V.S.

Take regular monthly offerings for the work of the C.W.V.S.

Dedicate one or more complete offerings such as the Easter or Christmas offering to the work of the C.W.V.S.

It should be mentioned that gifts to this committee are channeled through our own denominational organizations or through recognized national agencies. Our money has gone to the following groups:

American Christian Committee for Refugees - For help for refugees in America.

American Friends Service Committee-For food for children.

Church Committee for Relief in Asia-For civilian relief in China, and for civilian relief in the Philippines.

Congregational Union of England and Wales—For relief through English Congregational Churches.

THE CLOTHING PROJECT

under direction of

SOCIAL RELATIONS COMMITTEE

and

FRIENDLY SERVICE OF WOMEN'S FELLOWSHIP

The emergency Relief Agency of our denomination is known as the Service Committee of the Congregational-Christian Church.

Although the work of the Relief project is actually being done by the women, through the Friendly Service Department, it is directed by the Council of Social Action and supported by your contribution to the Committee of War Victims and Services.

To facilitate this work, Rev. James C. Flint, director, asked that each state cooperate by opening a central distributing center. Although the first call for help came during the late summer of 1943, Michigan did not get this work underway until October 1944 when a distributing center was opened in Grosse Pointe. Due to the size of our state it seemed advisable to open another center. This was done some weeks later in the Park Congregational Church, Grand Rapids.

These centers receive quantity shipments direct from the various Relief agencies of the United Nations War Relief Board. The shipments have contained yarn for children's knitted garments, hundreds of yards of uncut material (835 yards to be exact) to be cut, and new ready-cut articles of children's clothing to be made. The shipments that arrive from New York depend on what materials are available at a given time. Consequently it is not always possible to supply the type of sewing a group may desire, however, this should not prevent anyone from helping, as all types of clothing are needed.

When the huge cartons arrive at the center they are too heavy to be taken through an ordinary door. This means they must be broken down outside. The garments are then sorted and repacked into smaller lots and sent upon request to individuals or groups. There is no time limit on completion of consignments nor is Michigan given a definite quota.

Our church women in Michigan have received 4.124 garments for sewing including little dresses, skirts, and boys' shorts for Yugoslavia; slacks for Denmark; sleeping garments for Belgium; slips for France; undergarments for Greece; and dresses for English Relief.

Four hundred and thirty pounds of yarn for Yugoslav and French children's garments have been received. Approximately 820 knitted articles are being made, which includes sweaters, suits, socks and baby

garments.

One hundred and thirty-six churches are participating or have participated in this project, including one interdenominational church in Detroit and a Baptist church at Hudson, Mich. Is your church one of these? I feel quite sure that the women who are here will encourage the women of their churches to become active in the project. I should like to ask the ministers to do the same. They can do a great deal in promoting this type of work, especially the minister of churches in communities where there are no Red Cross units. Women are eager to help but may need someone to help them get started.

As I see it, this project has done much to develop group responsibility within our denomination, and it cannot help but bring some recognition to our denomination. There are all types of relief work to be done and if we are to do it, why not work through our Congregational Channels? This is our church in action.

We hope to hear from all of you.

Respectfully submitted,

DAULL F. MARTIN (Mrs. Lyndle R.)

REPORT OF THE RESOLUTIONS COMMITTEE

1

Whereas the Congregational and Christian Churches of Lansing, through their ministers, their various organizations, and members, have been untiring in their efforts to provide every necessary facility for the furtherance of the Conference, and every possible consideration for our personal comfort,

Be it Resolved, That the Conference extend its sincere thanks and appreciation to Plymouth Church, its Ministers, and Minister of Music, and the many others, for the use of this beautiful building and the many facilities it houses, and to the Pilgrim and Mayflower Churches and their Ministers for their splendid cooperation.

2

Whereas the time is approaching when some decision will of necessity be made in connection with the proposal for union now before the Evangelical and Reformed Churches and our own denomination,

Be it Resolved, That the Conference go on record urging our pastors and our people to become well informed so that if or when the opportunity comes for definite action on this issue we may be prepared to act and to vote intelligently.

3

Whereas world patterns are now being set, and world organizations being built up for the guidance and control of nations and of peoples in the years to come, the San Francisco Conference of the United Nations being now in session,

Be it Resolved, That we dedicate ourselves and call on our fellow-citizens to dedicate themselves in loyalty to Christ to pray and to strive unselfishly for social and international justice and fellowship. That we call on all Christian people to act upon the full measure of the unity which they have found in Christ, joining themselves together across all denominational, national, and racial barriers; in worship, in study, and in service; thus endeavoring to show to the world the fellowship which Christ alone creates.

Be it Resolved:

4

- That the Michigan Congregational Conference reaffirm the official relationship that exists between the Conference and Olivet College.
- (2) That each church in the Conference be urged to include Olivet College in its benevolent budget.
- (3) That each church be urged to recommend Olivet College to Congregational-Christian students graduating from high school.
- (4) That each church avail itself whenever possible of the program resources in the faculty and student body of Olivet College.

REPORT OF COMMITTEE ON EVANGELISM AND DEVOTIONAL LIFE

The Committee has had several meetings the past year and has discussed the problems, opportunities, and the urgency of a more effective Christian evangelism among our churches. This report is a result of these deliberations, and correspondence.

I - Definition

By evangelism we mean the use of every possible means to infuse people with the consciousness of the God revealed in the spirit, teachings and life of Jesus. Evangelism involves the use of every available resource to make clear the mission of Christ and to spread the Christian message as it has evolved through the centuries.

II - Purpose

Specifically we believe that the purpose of evangelism is:

- (1) "To bring men into communion with God." (Frederick L. Fagley.)
- (2) To win the world for Christ. This has been a central aim of the churches of our tradition for the past 200 years.
- (3) It follows then that a sound evangelism is necessary to the building of a truly good world, to the creation of a "just and durable peace."

· III - Methods

It is our conviction that the ministers and churches of our Conference should keep in mind the following methods in an evangelistic program:

- (1) The Pastor's Class. Every minister should attempt to have a class in the weeks preceding Easter, in which the great convictions of our historic faith are reasonably and persuasively set forth, in which the aim is the securing of a decision on the part of young people to declare their loyalty to Christ and formally unite with the church.
- (2) **The Church School.** Leaders in Christian Education are returning to the idea that Christian commitment ought to be a part of the aim in teaching. In a day when the motion picture, radio and other agencies are pushing young people into un-Christian attitudes and ways of life, the Christian Church must challenge them to decide for Christ and follow His way. We believe that this committee ought to have a working relationship with the Conference Board of Christian Education so that we could plan and execute an integrated program of Christian nurture and decision.
- (3) The Preaching Mission. We believe that there are many of our churches that could benefit greatly by a one- or two-week Preaching Mission. The members of this committee are willing to make themselves available to the churches and to the Conference Minister for such service. A number of ministers in our Conference are capable of this kind of service.

- (4) Evangelistic Preaching. A sane and vigorous evangelism ought to be at the heart of most of our preaching. One of the purposes of preaching and worship is to make Christ so clear and attractive that our people will rise up and follow Him.
- (5) The Use of Literature. Our General Council Commission on Evangelism and Devotional Life has excellent literature. We recommend a discriminating distribution of it.

IV - The Devotional Life

We believe that a vigorous spiritual life has its roots in individual, family and corporate worship. For individual and family use we highly recommend "Daily Devotions," a quarterly publication of our General Council Commission on Evangelism and Devotional Life. We do not believe that the importance of the public worship of God on Sunday morning can, in the present hour, be too strongly emphasized.

V - The Ministers' Lenten Retreat

This committee this year planned the Ministers' Retreat, which was held at Olivet College February 12-14, 1945. Fifty ministers came for a period of stimulating fellowship and inspiration, under the leadership of Dr. Mervin M. Deems of the Chicago Theological Seminary; Rev. Owen M. Geer of Mount Olivet Community Methodist Church, Dearborn; President Malcolm Boyd Dana, Olivet College; Dr. Harold N. Skidmore, Rev. Donald R. Evans, and Mr. Allen T. Burns, New York City. It is our hope that all the ministers of the Conference might attend next year, and thereby increase the possibility of a dynamic and united Christian witness in Michigan Congregationalism.
